Over the past two weeks Year 7 girls have gone to the beach for sport, due to the Year 12 exams in the MPC. Just a short 5 min walk to Tallow Beach through bushland at the back of the school, the girls enjoyed a morning in the sun involved in a variety of beach activities. This week after a long exhausting run ... jog ... walk ... stroll along the beach, the girls produced some excellent sand art as shown in the photos. Byron Bay High School is very fortunate to have such a fantastic venue available so close to the school. It’s lessons like this that make Byron Bay High School the envy of schools around the state.

TAKE A STAND (Rescheduled)

REAL SKILLS: Relationships Education and Life Skills

Year 9 Program

REAL Skills Program has been rescheduled for Thursday 9th September (Week 8). ‘Take a Stand’ helps students to be aware of how they might ‘take a stand’ for themselves in relationships and to recognise when their own behaviour and the behaviour of others is not ok.

A REAL SKILL is holistic and addresses the many aspects affecting a young person’s life and their relationships. The program provides young people with the awareness and skills to conduct healthy, positive relationships and to make informed decisions around important life issues.

A team of local community and health service providers will deliver the program to the students. The program will be invaluable to the personal and social development of our Year 9 students.

Thanks for your support,

Kristy Collins,
Relieving Head Teacher Welfare

We need You! We need you to help us make money for the P&C, so that we can buy lots of those extras which would otherwise not be provided for our children.
